# CHAPITRE 1 Explorons la France!

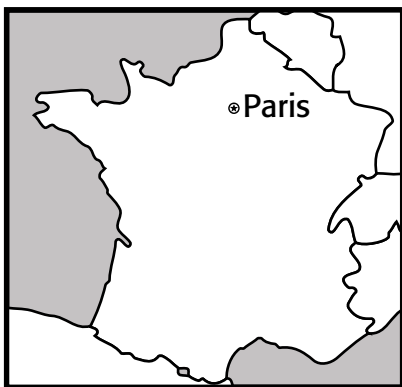

## Avant de surfer

In this activity, you'll be exploring French cities. The information at most of the sites you'll visit is in English—though not always perfect English! (Can you figure out why?) Don't be alarmed, however, if you occasionally find a page entirely in French. Relax, look at the photos, and skim the text for words you recognize. You may be surprised by how much you can figure out from the context!
