LEÇONS PRÉLIMINAIRES **La géographie de la France!**

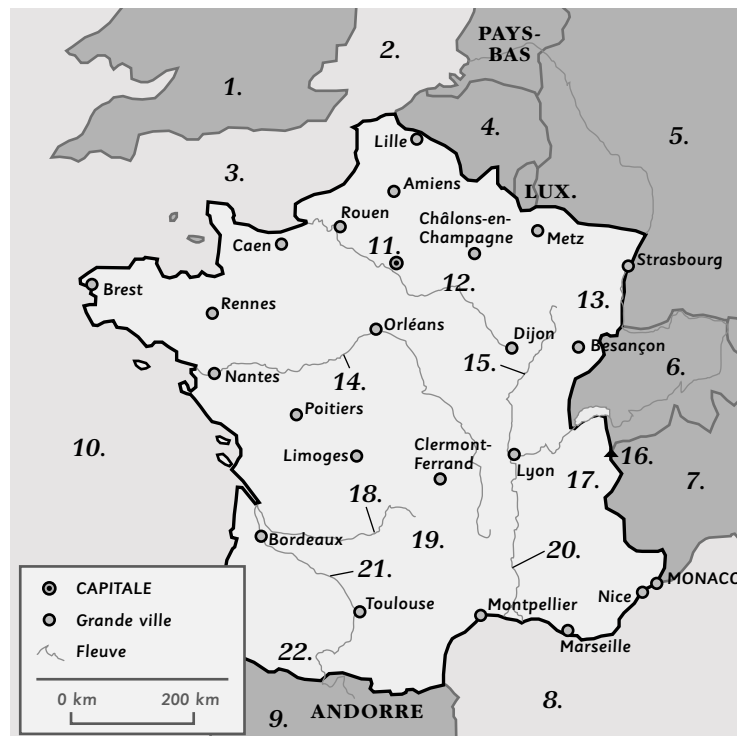

Avant de surfer

Do you know where Paris is in relation to the rest of France? What about Lyon? Have you ever heard of Aix-en-Provence or Grenoble? How many French rivers can you name? Do you know how to say the French names of the countries surrounding France? No? Well, this activity is geared toward helping you become familiar with French geography. Just click on the **Map of France** link and you'll be able to fill in the blanks.

Surfons!
